## **DISTRIBUTION AGREEMENT IN NORTHERN GERMANY BETWEEN RED PLUS AND REDPLUS COURTS GERMANY**

Red Plus and RedPlus Courts Germany announce the start of their cooperation.

Thanks to their experience in Denmark by working together with our Danish agent Jac Company, Thomas Wahl and Nils Trier Madsen can now bring their expertise further to Northern Germany.

RedPlus Courts Germany are in fact eager to have clubs feel the experience of playing on Red Plus tennis courts.

“We simply love playing and installing Red Plus and want to give more people the opportunity to hit on these fantastic courts in the near future”.

Thomas Wahl and Nils Trier Madsen have a long background in Danish tennis world, from playing to coaching and building courts.

We believe their commitment will result in delivering the true pleasure of red clay all year round.
