### **DISTRIBUTION AGREEMENT IN THE NETHERLANDS BETWEEN RED PLUS AND BINK TOP COURT**

Red Plus and Bink Top Court announce the start of their cooperation.

Thanks to their long experience in tennis courts, Bink Top Court can now implement their know-how further and simply can't wait to have clubs feel the experience of playing on Red Plus tennis courts in The Netherlands.

"We have tested Red Plus in various locations throughout Europe and believe this is the ideal clay solution, matching excellent playing quality and reduced maintenance".

The match has just begun.
